Glen Cove Memories of John Donaldson

A tape of John Donaldson’s Glen Cove memories was made prior to his death on August 26, 1989. Donaldson was born and raised in the City of Glen Cove. As a young man he served the City as its Commissioner of Public Works (late 1940s to early 1950s). A community-minded citizen, he was instrumental in the formation of the City’s Little League Baseball Program and served as the Commissioner of Little League for ten years.

Memories

♦ I remember the old dock on Landing Road, next to the New York Yacht Club, where the steamboat “Sagamore” delivered riders and cargo, arriving from New York City. We would go down to watch the ladies with beautiful bonnets, and the men with vest suits and spats.

♦ Youngsters visited the Appleby property to drink the cold spring water and to dig clams. A ferry used to come in from Rye Beach and New Rochelle on weekends.

♦ The first lifeguard at the beach was “Pop” Kinnear, who made certain we had on our bathing suit tops as well as our bottoms. We changed at the old pump house, careful not to be caught by “Pop.”

♦ Appleby’s Woods were one of Glen Cove’s great attractions. The Garvies Point property was a place to roam with the cows and two ponds that offered kids a place to ice skate when the ponds would freeze over.

♦ In the dead of winter, the harbor would freeze over, and we would go down to watch the ice-boats whistle across the sound. “Doc” Cocks had one beautiful ice-boat and it was a treat to watch him soar around the harbor, quite a fearless fellow. I remember Bucky Fitten driving his Motel T Ford on the ice – he made the front page of the local newspaper.

♦ The trolley lines would leave the Landing on a regular basis and there were summer and winter cars. The ride cost just a nickel.

♦ Local doctors used to visit their patients on bobsleds and horse-drawn sleighs in the wintertime. The snowdrifts were so high at the corner of Cottage Row and Landing Road, the only way we were able to get to school on time was by walking behind a horse-drawn snow plow.

♦ The first hospital in Glen Cove was located on Glen Street next to St. Patrick’s Church. Staff doctors included Dr. Edmunds, Dr. Dubitsky, Dr. Dunn, Dr. Titus, Dr. Bell and Dr. Schilling. They made house calls back then.

♦ Village firetrucks were drawn by horses. The firehouse was located near the Roll’s Oriental Hotel (the corner of Glen and School Streets). The Moose restaurant was directly across the street. Some of the retail stores were Jones Dry Goods, Seaman’s Variety, Eisenberg’s and Harrolds.

♦ The Fowler family held wonderful clambakes. I remember the barrels full of seaweed resting on rocks and logs that were burning to heat up the clams, lobster and corn.

♦ I remember the bootleg days when rum runners used to deliver the booze all along our shores and at times right onto the Landing dock. Patrol boats were constantly on the prowl and at times caught up with the runners.

♦ One of the loveliest ladies in all of Glen Cove was Mrs. Appleby. The Appleby family treated the people of Glen Cove royally. On Christmas day, we kids would go over to the Appleby Estate and be treated to candy, cookies, nuts and fruit by Mrs. Appleby.

♦ Mr. Appleby was a sport-minded fellow. There was a baseball diamond on the estate and a boxing ring set up in a barn. He would invite us over for a game with a team he put together. Mrs. Appleby would be the umpire. Youngsters interested in boxing were also invited to use the ring and Mr. Appleby, quite a boxer himself, trained several of the kids.

♦ I suppose I could sum up all of my memories by just saying there was no other place like it to live. I lived my life to the fullest in a heavenly corner of the North Shore – Glen Cove.
